

Educational needs survey

The aim of this assessment is to evaluate the needs for education and training of staff. What education or training does your staff need to become even better?

Educational needs survey: Driving passengers

Instructions for setting up a survey

1. Make a list of the employees who should receive the survey.
2. Choose a survey tool, as such [Google Forms](#) or [Microsoft Forms](#).
3. Choose questions/statements for the survey. You can copy statements from the examples below. You can use all of the example statements or choose the ones you think suit best for your company.
4. Write a short introduction to the survey. You can use the example below and/or adjust it as needed.
5. Share the survey with the staff, for example by sending them an e-mail or sharing a link to the survey on social media groups/workplace.

Example of survey introduction

Dear employee,

To evaluate the need for education and training, we/I kindly ask you to answer the following survey. The goal of the survey is to assess what education and training you need to become an even better staff member. Note that the survey is anonymous and individual responses cannot be identified.

Please click here to answer the survey: [insert link]
